

FosterTalk Comments, Compliments and Complaints Procedure

Introduction

FosterTalk is committed to providing the best possible services for its customers. Our comments, compliments and complaints process gives you the chance to tell us what you think of the services we provide and to have your views taken on board.

If you have a comment

All suggestions are important to us and all will be considered in line with our service improvement plans. We will always acknowledge your suggestions, and where possible we will respond with detail about how your suggestion has been used.

If you have a compliment

We always pass your feedback on to our service areas and specifically to the member of staff or team that it was about. We also use this information in staff appraisals as well as for developing best practice at FosterTalk.

If you have a complaint

Sometimes things go wrong. If this happens we will do everything possible to put it right. If we cannot give you the outcome you want we will explain the reasons for this. We will respond to your complaint fully, working together between departments to ensure that we have answered all of the issues raised. We will do this as quickly as possible, letting you know if it is likely to take more than 10 working days, and keeping you informed throughout the process.

If you are not satisfied with the outcome of your complaint then you can ask for it to be reviewed. You need to tell us why you believe we were wrong according to our policies and procedures. The central team will review this for you and contact you with the outcome. We will again work through this process as quickly as possible, letting you know if it's likely to take more than 28 working days, and keeping you informed throughout the process.

Some complaints we will not be able to respond to, for example, a complaint that has already been answered, and reviewed with no new issues raised, or a complaint which is not about a service delivered by FosterTalk. If this is the case we will inform you of the decision not to investigate it.

How to make a Comment, Compliment or Complaint

You can make a comment, compliment or complaint by telephone, by email to enquiries@fostertalk.org, or by using one of the feedback forms on our website at www.FosterTalk.org/contact-us

We welcome feedback that will help us improve our service to you. Whether we've got something right, or could have done something better, we would like to hear what you think of our services.

FosterTalk Comments, Compliments and Complaints Procedure

Stage One - Informal Problem Solving

FosterTalk staff and partner fostering service providers seek wherever possible to resolve matters as part of their normal daily routines and duties, but where they are unable to do so, FosterTalk staff are instructed to make the complainant aware of this procedure and advise them about who they should contact to make their dissatisfaction known. In the first instance this will be the Managing Director or other designated local manager who will acknowledge the complaint within 3 working days, and specify which member of staff will address it and seek to resolve matters with the complainant.

The person appointed at Stage 1 will contact the complainant and attempt to resolve the complaint informally through discussion, negotiation and/or mediation, offering practical action where this will resolve the complaint. A formal written response will be made within 10 working days, or where this is not possible, within a maximum of 20 working days.

In the event of it not being possible to resolve a complaint informally at local level then the complainant will be informed in writing (stage one outcome letter) of his/her right to pursue the matter further through an Independent Investigator.

In those situations where no attempt has been made by the complainant to resolve the complaint informally at a local level, the Independent Investigator will encourage complainants to follow this route. However where a complainant does not agree to pursue this option then a formal complaint can be lodged at Stage Two of this Procedure.

In this case, the appointed Independent Investigator will respond to the complainant within 5 working days to establish the specific detail of the complaint and to inform the complainant about how the matter will be investigated. This will include advising the complainant of their right, in some circumstances, to have their complaint investigated under local authority representations and complaints procedures.

In matters of a serious nature, particularly those concerning child protection issues, the appointed Independent Investigator will advise that the complaint must be investigated under the relevant local authority procedures.

Stage Two - Independent Investigation

Under the FosterTalk procedure, the investigation will be carried out by an Independent Investigator who has had no previous involvement with the matter concerned. This may be a member of staff from an organisation independent of FosterTalk or an externally contracted individual with relevant qualifications and experience. Any such appointment will be made known to and discussed with all parties prior to the commencement of the investigation. In appropriate circumstances, local authority social workers may be informed of the complaint and of the progress of the investigation and outcome subject to data protection requirements.

No one who is the subject of, or who has been involved in seeking to resolve, the complaint informally (stage 1) will be responsible for any investigation conducted under stage 2.

FosterTalk Comments, Compliments and Complaints Procedure

In some circumstances the task of an Independent Investigator may be one of ensuring that the complainant is aware of his/her right to complain under alternative procedures. Where appropriate this could include making the complainant aware of his/her right to seek advice from his/her solicitor, Member of Parliament, local councilor or local government ombudsman.

The independent investigator will have the right (subject to any necessary permissions) to examine any relevant documents held by FosterTalk and, as appropriate, to interview foster carers, their family members, Fostering Service Provider staff and others whose involvement has been significant. The method and conduct of the investigation will be in accordance with guidelines for Independent Investigators. The target timescale for completing an investigation at Stage 2 is 28 days. If the issues are complex or more time is required, the independent investigator will inform the complainant of revised timescales for the completion of their investigation.

The Independent Investigator will submit a written report within 5 working days of completing the investigation. Within this report the Independent Investigator will reach a view about the findings and whether the complaint is upheld. The guidelines for Independent Investigators indicate that they should prepare their written reports on the assumption that the content will be shared with the complainant and other parties.

The outcome of the investigation and the response on behalf of FosterTalk will be communicated in writing within a further 5 working days to the complainant and other relevant parties, which may include making all or some of the Independent Investigator's report available. The decision about making all or some of the Independent Investigator's report available will take full account of issues of client confidentiality and data protection legislation.

Stage Three – Complaints Review Panel

Where a complainant remains dissatisfied with the response at stage 2, they may request that a complaints review panel be set up to consider the complaint investigation and its findings. The request must be received within 28 days of receiving the outcome in writing of the stage 2 independent investigation.

The panel will consist of an executive director from the FosterTalk Board of Directors, another senior FosterTalk manager who has no connection with the complaint and someone who is independent of FosterTalk i.e. an individual with a relevant background and expertise who is not an employee of FosterTalk.

A complaints review panel meeting will be convened and the venue and date/time for this will be agreed with the complainant and the procedure and background documentation will be circulated to all parties.

The complainant will be invited to make his / her representation to the panel who will then make an initial response to the complainant within 24 hours. A full written response will be provided within 5 working days.

NB The outcome of the Complaints Review Panel is the final stage of the Procedure.
